Product Returns for "Warranty" Determination

National Garage will test the product according to the description of the problem listed above. We strive to process all returned products as quickly as possible. All returning products are shipped at the buyers (your) cost, which will be reimbursed (within reason) if the product is found to be faulty due to a warrantable reason. If a returned product is found to be faulty and is not covered under warranty, we will either dispose of or return the product at your cost. Please ensure this form is accompanied with the returned items as failure to do so will risk the return being not identifiable and remain unprocessed.
